Testimonials

Hear it from our students! We offer an exceptional education experience like no other. Let our alumni tell you why they would recommend ILAC to their friends and family.

"Thank you dear ILAC for the unique experience in learning English. The first day scared me because I didn't understand anything by ear, it was difficult. Over time, I began to understand, but I was still afraid to speak because my speech is wrong. Now, I can perceive speech by ear and answer a little, I now know the structure of the IELTS exam and I will prepare to talk more and solve tests, and when I decide to take the exam, I will come to ILAC again to prepare better. A good program, clear and interesting, the lessons are positive. Thank you very much!!"

Anna from Russia

"I am very happy that I can study online courses in China. It also gives me the opportunity to study in other places. Although my English level is not very low, I can feel the learning atmosphere of the class through learning. **It is very helpful for my confidence in learning.** The teacher is very good. The small class model of the class was ideal. There are more opportunities for teachers to communicate with each other and students."

Chunyu from China

"My experience with ILAC has been amazing. I've learned a lot in these 3 weeks I've been here. It's a very complete program and it is also very fun; I hardly ever get bored."

Catalina from Colombia

"To get a diploma in Tourism Management from Niagara College, I need to improve my English, and **with ILAC's help I can achieve my goals and dreams.** I was pleasantly surprised when they told me that it is possible to enter the college without TOEFL or IELTS tests because ILAC has many partnerships with different colleges and universities."

Roman from Ukraine

"ILAC is a dream for everyone. I have been planning my exchange program since I was little and was always searching for the best school and, in the middle of it, I found ILAC, the most awarded language school in the world, and it is! My first day here, my teacher explained to me everything I needed to know, and she was awesome with me and my classmates, she asked us where we were from, our age, our name, what we liked to do and so on, and her class was amazing, she is patient, calm and very good on her work. ILAC inspires me every day!"

Ana from Spain

"I am very grateful to my school for giving me the opportunity to get an unforgettable experience in learning the language. I really like studying here; excellent teachers and students from different countries. I gained experience in learning English and met people from different countries. I learn a lot about the culture of these countries. it's a great experience that will stay with me all my life. thank you very much!"

Elena from Russia

"Staying with an ILAC family was the best experience I have ever had. **I got such a good homestay, they became my second family!** I'm so glad to stay with them!"

Jenny from Switzerland

"I'm so proud of joining you. **That was my best experience for studying abroad.** Thank you for everything ILAC!"

Tuba from Turkey

"At ILAC, it is fun to study! My teacher always made the class atmosphere exciting. **They are the most friendly people I have ever met. Also, students are really friendly and kind to each other.** They do not hesitate to help each other. I am really surprised that people from different countries can be best friends. Wherever I go all over the world, I now have friends in every country."

Chang from Korea

"Back home, we learn English in a closed way, where education tends to focus on only grammar or vocabulary. On the other hand, at ILAC, I can learn English in a lot of different ways, from general knowledge or grammar to really specific and academic skills like in the business class. I like that way to learn English. **For me, the atmosphere of the class is the most important aspect at ILAC.**"

For sure ILAC was the best choice I had! The teachers, the buildings, the events, the method, everything is more than I expected! All the people I met here was amazing, friendly and they are here with the same purpose: improve the language. But this time here was more than that it was the best experience in my whole life.

I spent three weeks studying at ILAC and my overall impression was good. Teachers are great, rooms with plenty of space and they teach English in a fun and productive way. The activities promoted by ILAC are really good and cheap as well. I went on a trip to Niagara Falls with ILAC and it was an unforgettable experience for me. Something that is also worth mentioning is that at ILAC, you will get in touch with different cultures and have the opportunity to meet people from all over the world. I would definitely recommend the school!
